**A. INTRODUCTION**

Throughout this Amendment these entities are referred to as follows:

Beaver Tribal Council	=	Council
Alaska Native Tribal Health Consortium	=	ANTHC
Financial Assistance Sub-Award	=	FSA

On July 11, 2001, the ANTHC and Beaver Tribal Council executed an FSA authorized by the Denali Commission to perform the planning, design, and construction of a new multi-purpose community health center. The project was funded by the Denali Commission. An Amendment No. 1 to the FSA provided additional Commission funding and was executed on September 17, 2003.

**B. AMENDMENT TO REVISE PROJECT BUDGET AND FUNDING**

The Beaver Tribal Council has contributed \$26,462 to this project. The funds will help pay for project completion, demobilization, and closeout. The funding will augment Denali Commission funding, which was less than the construction cost estimate for the project scope of work. An ANTHC project operations expense has not been deducted from these funds.

The funds have been added to the previous Denali Commission funding amount of \$504,900 (identified in Amendment No. 1). Total project funding therefore equals \$531,362.

The scope of work has not changed.

This document constitutes Amendment No. 2 to the FSA for the planning, design, and construction of the new Beaver Multi-Purpose Community Health Center in the Village of Beaver, Alaska. All other sections of the original FSA and/or Amendment No. 1 remain in effect as agreed upon and executed.
